SUSAN DAVIS INTERNATIONAL

Differentiators

SDI has years of experience communicating the needs and concerns of the **military, veterans and their families** to a wide range of stakeholders and in engaging support for the military and veteran communities from corporations, organizations, media and the general public. We have specific expertise in military health, caregiving, and veterans' issues.

SDI has developed and executed complex stakeholder communications campaigns on a national and global basis utilizing **our trademarked Communications Sensitivity Matrix.™**

SDI has decades of award-winning experience **planning and executing high-profile, high-impact public/ceremonial/historic events** that have ranged from 25 – 250,000 participants. SDI special event experience includes **trade missions, conferences, global and national summits, groundbreakings and dedications of national memorials, museums and military commemorations.**

SDI has deep experience in the creation and execution of policies, plans, procedures and tools, critical to developing, maintaining, and operating effective **crisis management** plans and programs to include scenario-based exercises. SDI has extensive crisis experience responding to a host of events including financial mismanagement, corporate malfeasance, oil spills, kidnappings and natural disasters.
